## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. **Claims 13-25** are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose a lining use with a horseshoe as claimed in detail. Cattaneo teaches same field of endeavor of lining use with horseshoe, however, Cattaneo lacks an interrupted hump between separate lining parts. As Applicant explained in the remark filed 9/29/06, this interruption or gap between separate lining parts is critical because "it is avoided that the ends of the hump will be too strongly deformed if the hoof steps onto the ground. This reduction in deformation, therefore, results in an increased usable life for the lining."

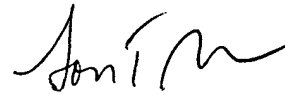

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Son T. Nguyen whose telephone number is 571-272-6889. The examiner can normally be reached on Mon-Thu from 10:00am to 5:30pm.
